Dear Danny and Colleagues at BonDeCroft Utility District Water Treatment Plant,

Thank you for being a part of the 2013 Kentucky Tennessee AWWA Water Treatment Plant Operation Excellence Award process. Our committee's selection decisions were more difficult this year than ever before due to the many highly qualified nominees.

We are very pleased to inform you that BonDeCroft Utility District Water Treatment Plant has been selected for the

**2013 Award of Excellence for Water Treatment Plant Operation

We greatly appreciate the time and effort you and your colleagues put forth to provide operating data, and conduct onsite interviews and tours for our committee representatives. Your willingness to openly review your operations and share through the award process is highly commendable and truly sets you apart.

We wish you every success in the coming year, and, thank you, again for joining the field of highly qualified award nominees for 2013! Congratulations on your award!

Best regards,
